

7 DAYS BOSNIAN WINTER

Day 1 Sarajevo - Vrelo Bosne OPTIONAL TOUR

Arrival Sarajevo Airport, meet and assist at Airport by our representative. Before we take you to hotel we will visit Vrelo Bosne. the spring of the Bosna River, at the foot of Mt. Igman. The alley is made of two rows of 762 plane trees planted in 1892 and dozens of horse chestnut trees as surely the most beautiful tree row in Bosnia and Herzegovina. The spring of the Bosna River is an outstanding park with numerous streams forming lakes and islands in this geological, hydrological and botanical-horticultural phenomenon. The most beautiful one, however, is the source of the Bosna River, which springs from a number of karst springs at an altitude of 492 meters. The water is of exceptional quality; therefore, a pump station of the city water supply was built next to the spring. The nature here still exceeds the strength and beauty of anything else seen, making the spring of the Bosna River one of the most precious natural and tourist pearls of Bosnia and Herzegovina. Proceed to hotel, check-in, free afternoon. Overnight.

Day 4 Sarajevo – Bijambare OPTIONAL TOUR

Breakfast at hotel. For this day we plan to drive to Nisicka highland 40 kilometers from Sarajevo. When we reach the highland you will notice several traditional villages where you can buy domestic cheese, milk, honey and tea. From there we will continue through forest to reach Eco protected zone called Bijambare Caves. First we shall take a nice walk through the beautiful combination of oak, beech and pine forest to reach the Cave complex. The walk is rich enriched with plenty of beautiful scenery, small creeks, small lake usually there in spring/winter, fresh air and much more, what will make us have a great beginning at least. The main cave is of considerable magnitude, 470 m long (along the main path, neglecting branches) with 4 huge “halls” stretching up to 60 m in the diameter and to over 30 m in height. One of the halls (the last one) is commonly called “concert-hall” due to its impressive size. The cave is rich with cave “jewelry” forms such as stalactites, stalagmites, curtains, basins, side-blocks and alike. It is presently inhabited by colony of bats and crickets. Proceed back to Sarajevo. Rest of the day is free. Overnight.
